

ENCORE™ RE-CRAFTING PROGRAM

FOR CHEFS. FOR RESTAURANTS. FOR THE ENVIRONMENT.

Through the ENCORE™ re-crafting process, artisans restore pans that have been returned to us over time, to their original performance and beauty.

All-Clad ENCORE™ delivers top performing pans to chefs at a significant savings for your restaurant, all while protecting the environment.

ENCORE™
RE-CRAFTING PROGRAM

WHY ENCORE™, NOT NEW?

FOR CHEFS:

Same performance and durability.

FOR RESTAURANTS:

Extra Business Savings

FOR THE ENVIRONMENT:

Uses over 95% less energy to produce.
Can save thousands of pounds of metal from being discarded annually.
